

MAYOR'S REPORT  
AUGUST 2011  
By Mayor Robert Weger

Thanks to all who attended our Community Touch-A-Truck. This was a nice event organized by our Safety Forces which gave attendees an opportunity to see the police, fire and service vehicles "up close." There were many other cities, government agencies and medical facilities who offered their assistance with this program and it certainly served to give us a terrific assortment of vehicles and equipment for this event.

Our next event is our Fall Corn Fest scheduled for September 10<sup>th</sup> and 11<sup>th</sup>. After a year's hiatus, I am happy that this autumn festival will be able to bring our residents outside to enjoy the change of seasons in Willoughby Hills. I urge everyone to come and enjoy the food, fireworks and fun.

Work continues on Eddy Road as we strive to complete drainage repair and resurfacing. Your cooperation as we complete this project prior to the winter month is appreciated.

As the students head back to school, let me remind you to drive safely and obey the traffic signs. I hope all of the students from kindergarten to college have a good year academically.

In closing, as we approach Labor Day, I want to say "thanks" to all of the employees at the City of Willoughby Hills for the fine job they do for our residents all of the time. Thanks, too, to City Council for the hours they devote to City business in their elected positions. There are many wonderful resident volunteers who serve on our Boards and Commissions, too, that I would be remiss if I did not mention and thank. It is a team effort to keep the City of Willoughby Hills on the right track and I certainly recognize the value of the fine team I am working with. Have a safe and happy Labor Day!
